

PEACE CORPS

Overseas Request for Quotation (RFQ) for Supplies/Services/Equipment

RFQ Number: PR2026-04-005

Date: April 13, 2026

Peace Corps Guinea is seeking for qualified Internet Service providers (ISP) to deliver reliable Internet Services. Peace Corps is soliciting fixed-price quotations from you and several of your competitors (up to 25,000 USDE +) for the supplies and/or services detailed below.

If you are interested in submitting a quotation, please do so by sending your completed and signed Attachment 1—Vendor Quotation Form by e-mail only to: gn-procurement@peacecorps.gov.

Name: Branden Gallia

Address: Peace Corps, Conakry – Guinea

Subject: Call for interest – ISP Main Office

Quotations are due no later than **23:59 P.M** Greenwich Mean Time (GMT)] on **April 24, 2026**. Late quotations will not be accepted.

Written questions about this Request for Quotation (RFQ) may be sent in the same fashion to the individual noted above in advance of the RFQ due date. **No phone calls please.**

Peace Corps will evaluate all quotations received by the deadline based on the minimum requirements and/or evaluation factor(s) shown below. Contingent on the availability of funds and continued need for the supplies and/or services, at the end of the evaluation process, Peace Corps intends to award a firm-fixed-price contract for the purchase of the required supplies and/or services to the selected vendor.

Statement of Work/Description of Requirements

- ❖ Provide fiber optic Internet connectivity for the Peace Corps Guinea Main Office.
- ❖ Provide a detailed Service Level Agreement (SLA) covering technical compliance and service quality.
- ❖ One-year contract, renewable up to three (3) additional years based on performance.
- ❖ Vendor may re-use existing equipment and is fully responsible for repair or replacement if defective. Ensure 24/7 Internet availability with downtime not exceeding three hours per month.
- ❖ Provide a permanent monitoring system accessible to both vendor and Peace Corps technical staff.
- ❖ Demonstrate strong experience as an Internet service provider.
- ❖ Provide high-quality 24/7 technical support with clear service details.
- ❖ Provide one public IP address and all relevant technical configuration information.
- ❖ Provide clearly itemized costs for any civil works and/or equipment.

Item	Bandwidth (Down/Up)	Description
001	40/40 Mbps	Dedicated internet link providing 40 Mbps download and 40 Mbps upload, with consistent throughput for both inbound and outbound traffic.

B. Place of Performance and Required Work or Delivery Schedule

Quartier Taouyah, Corniche Sud, plage Rogbanè, Ratoma – Conakry, Guinea

Installation schedule to be proposed by the vendor.

C. Contract Terms and Conditions

As an Agency of the United States Government, Peace Corps has an approved contract template that it intends to use for the award. Peace Corps reserves the right to deny making a contract award to a vendor should they refuse to sign the Peace Corps approved contract template.

D. Minimum Criteria:

A quotation will not be considered further if it does not meet the following minimum criteria:

- ❖ Updated official administrative documents (RCCM/Agreement, NIF, Tax Clearance Certificate, etc)
- ❖ SLA meeting uptime requirements.
- ❖ Helpdesk support during business hours and days.
- ❖ Public IP address and all required technical details provided.
- ❖ Evidence of minimum of 3 years of experience.
- ❖ Separate pricing for civil works and equipment.

E. Evaluation Factors:

Quotations that meet the minimum criteria listed above may be further evaluated based on the following factors:

- ❖ Updated official administrative documents (RCCM/Agreement, NIF, Tax Clearance Certificate, etc)
- ❖ SLA quality.
- ❖ Professional experience and references.
- ❖ Bandwidth cost.
- ❖ Installation and civil works cost.
- ❖ Delivery and installation timeline.
- ❖ Local Administrative documentation

Peace Corps Guinea Responsibilities

- ❖ Provide accurate information, technical requirements, and site details necessary for service delivery.
- ❖ Provide stable electrical power to operate installed equipment; power outages are not counted as ISP downtime.
- ❖ Facilitate site access for installation, maintenance, and troubleshooting.

Vendor Responsibilities

- ❖ Manage all administrative and logistical arrangements related to installation, operation, and maintenance.
- ❖ Assume full responsibility for any subcontractors engaged in delivering the service.
- ❖ Carry out all required civil work in accordance with safety and quality standards.
- ❖ Provide a detailed installation report, including images, network diagrams, and configuration information.
- ❖ Ensure full data confidentiality and guarantee that no traffic is blocked, filtered, or inspected beyond what is legally required.
- ❖ Ensure compliance with all SLA commitments, including uptime, bandwidth, and support responsiveness.
- ❖ Provide preventive maintenance and proactive monitoring to minimize service interruptions.

Awards may be made with or without negotiations between the Peace Corps and the selected vendor. Award may be made to a vendor that provided the lowest priced technically acceptable quotation, or to a vendor other than the one that provided the lowest priced quotation, should that vendor be determined to have provided the best value quotation to the Peace Corps taking technical and cost factors into account.

The Peace Corps reserves the right to reject quotations that are unreasonably low or high in price.

All vendors that submit quotations in response to this RFQ will be notified of the results.

[End of RFQ]
